Chair of Governors: Mrs Sue Thomson

Dear Parents / Carers

TEAM GPS – OUR OFSTED SUCCESS!

As you know, we were inspected by Ofsted recently (8-9 June). We are delighted to inform you that Ofsted have given our school a glowing Inspection Report! The team of 4 inspectors were very impressed with the school.

The overall judgement of GOOD is extremely high praise indeed from Ofsted. We are also thrilled that Ofsted recognised our work to promote pupils' personal development and welfare as OUTSTANDING!

The Report shows that Ofsted recognise that as a school we are doing a very effective job in educating every GPS child, and in ensuring the safety and well-being of all children.

We are all extremely proud of the children. You can read in the Report just how impressed Ofsted were with the children's fantastic behaviour and their positive attitudes to learning.

As Headteacher, I am very proud of our staff. Every member of staff has worked incredibly hard to improve and develop the school, demonstrating huge commitment. Our staff are talented, caring and always 'go the extra mile'. Our Ofsted success is a real team effort!

We'd also like to say a big thankyou to parents and carers, for the way you support your children every day, and the positive way you engage with school – family learning, parent workshops, open days, special events etc. You are all an important part of Team GPS!

We intend to build upon this Report, maintaining what we do well and improving and developing the school even further. We will ensure that GPS continues to give your child the very best possible foundation educationally - a solid platform for future success in life.

Your personal copy of the Report is attached – we hope you will enjoy reading it!

Yours sincerely

Mr Les McAnaney (HT), Ms Lesley Cole (DHT) and all Grangetown Staff & Governors

Enjoy - Respect - Achieve
