

Year 6 News Reports

This half term, Year 6 have been learning how to write newspaper reports. We firstly looked at the features of a newspaper report and discussed how the writer ensures formality throughout the text. We have been reading the story Oliver Twist so we reported on the terrible crimes committed by Oliver and the Artful Dodger. We came up with headings which would draw the reader in and discussed how these often include a play on words. The children then worked hard to include all of the features in their own writing. The finished pieces are displayed proudly in our classroom.
