

Monster Phonics

This term we have launched our new phonics scheme in school. Monster Phonics is based around a group of monsters who live in Monster Phonics land. Each monster is responsible for a set of sounds.

To launch this with the children each member of staff dressed up as a monster. The children spent the morning meeting the monsters and finding out about their jobs, interests and sounds.

Firm favourites with the children were Tricky Witch who is in charge of all the words with tricky spellings and Cool Blue who looks after the oo family.
