

# ORACY AT GPS!

We completed a conscience alley activity linked to The Great Kapok Tree.

We had to persuade the main character to either chop down the tree or leave it.

We have been working hard to launch oracy into our curriculum and for it to become embedded into our teaching and learning. Our aim is to enable children to improve their levels of oracy so that they are all able to communicate effectively and confidently in front of any type of audience. These skills are being encouraged in every area of our curriculum as good communication skills can enhance every type of learning. The children are encouraged to explore ideas through talk; challenge each other's opinions and develop their own reasoned arguments, as well as talking in full sentences with a clear and confident voice.
