Dear Parent/Carer,

Does your child spend time exploring online?

Technology and the online world is an important part of our lives and there are so many fun and educational things to discover, but there can be some risks too.

As part of our curriculum we teach the children all about staying safe online every half term and we take part in online safety virtual and fact to face assemblies. We are offering you the opportunity to take part in a tailored Online Safety workshop led by the NSPCC.

The workshop will:

- Help you understand how kids experience the online world
- Show you resources and tools that could help keep them safe
- Empower you to guide them on their journey

The workshop will be in a face-to-face workshop on **Tuesday 17th October at 2pm** and the workshop will last 45 minutes - 1 hour.

We look forward to receiving your responses.

Mr L. McAnaney, Mrs L. Russell, Mrs V. Mitchell.
