Wednesday 1st May 2024

Dear Parent/Carer,

On **Wednesday 15th May**, the Year 5 children will be attending a workshop at the Sunderland Museum. The children will be taking part in a workshop about the Victoria Hall Disaster. The children will be examining different historical sources from the time and developing a better understanding of what happened and the affect it had on the local community.

The children will be walking to and from the museum and so will need to wear sensible shoes and be in their full school uniform. They will also need a jacket in case the weather is chilly or if it starts to rain. If it is a very sunny day, the children will need to bring sun-cream. Any children who need an inhaler must have it in school that day.

The children will be leaving school at 11.30am and will return to school before home time, your child will require a packed lunch (school will provide packed lunches for children who usually have a free school meal).

Thank you
Miss Richardson
