Y5 Space Day!

Dear Parents/Carers,

We have been very busy learning all about the Solar System, and as a way of ending this Science topic, we would like to invite your child to our Year 5 Space Day on **Wednesday 22nd May 2024**.

Children may come to school dressed in a space themed costume. This clothing does not need to be bought - homemade costumes are usually the most creative. Children can come dressed in their outfit and can remain in them all day.

Throughout the day, all of our learning will have a space theme. Could the children please bring an empty plastic pop or juice bottle into school that day, as they will need it to make a space model?

Thank you for your continued support.

Miss Richardson

Enjoy - Respect - Achieve
